

Allure Palazzi Kotor Bay in Montenegro is a 5\* property that consists of 89 rooms, 10 waterfront villas, breathtaking beach and a Spa center.

The Hotel is located in Dobrota, within Kotor Bay, a place which blends stunning landscape, the cultural heritage of Kotor, unique venetian architectural style, and sub Mediterranean climate into a beautiful surrounding. The contrasts of this place are heightened in the cultural and historical heritage, combined with its beautiful nature. A 15-minute walk will take you to Kotor Old Town, where you will find historic Roman and Gothic buildings, old city walls, churches and local shops - all in the embrace of the spectacular Kotor Bay. Narrow streets and squares, many valuable monuments of medieval architecture were among the reasons why UNESCO put Kotor on the list of the world natural and cultural heritage.

The newly built hotel opened in June 2018 with luxuriously appointed guestrooms and penthouse suites, 10 waterfront villas, 2 restaurants, a beach club & lounge, wellness facilities, as well as an outdoor pool area with two pools and a cocktail bar.
